Canaan condo developer offers incentives

Tuesday, April 28, 2015 1:05 AM EDT

BY RUTH EPSTEIN REPUBLICAN-AMERICAN

CANAAN -- The developer of the Blackberry River Commons condominium complex off West Main Street is offering incentives that may provide entry into the housing market that otherwise might not be attainable.

The developer, according to representatives of William Pitt Sotheby's International Realty, said the owners will provide buyers with owner financing, paid closing costs and free upgrades on existing units. Four houses are already standing and 16 more will be built. They are being offered at between \$269,900 and \$299,900.

Condominiums at Blackberry River Commons in Canaan are for sale. The owners are offering incentives to prospective buyers. Ruth Epstein/RA [Browse for Republican American Reprints](#)
