STUNNING POST & BEAM

With a fifty mile, three hundred and sixty degree view of Mount Greylock and Vermont, this stunning post & beam is a must-see! With five bedrooms, four and a half baths, this Arts & Craft style home sits on over eleven acres and features a first floor master suite, two additional first floor bedrooms, a chef's kitchen, two custom fireplaces, a wrap around porch and media room. Outside find a beautiful gunite pool, poolhouse with outdoor shower and a guest house/garage.
