NCSA 2015 Annual Fundraiser – Monaco Grand Prix

The Carriage Barn Arts Center

Waveny Park, New Canaan, CT

The New Canaan Society for the Arts, Inc. (NCSA) is excited to announce its 2015 Annual Fundraiser, Monaco Grand Prix, on Saturday, May 16, 2015, in conjunction with its spring art show, Va Va Vroom! The Art of the Vehicle.

We expect close to 200 guests to enjoy a special evening of themed food, music and a special auction at the Carriage Barn Arts Center, an exceptional gallery space in a unique nineteenth-century stone barn in Waveny Park. With live Retro Jazz and Chanson Française provided by the band Oh La La! and catering deliciously provided by Fabulous Feasts, décor includes vintage and new noteworthy cars, guests will be fully immersed in the transformed gallery. Fundraiser photographer is Ric Kallaher.

The evening's success will help fund growing partnerships with our local schools and expand educational programming for adults and children.

Fundraiser proceeds will also support

exhibition design and gallery enhancement. Our goal this year is to raise \$50,000.

Auction highlights include Fighter Pilot for a Day, a Gotham Dream Car Tour which involves 3 hours of adrenaline-filled driving in six different exotic sports cars, dining experiences, cooking classes, behind-the-scene tours of museums as well as concerts at Caramoor. Artists Drew and Audrey Klotz generously have donated a small Lil' Dipper sculpture and an original abstract painting, respectively. And...we have much, much more!

Two tiered tickets are available:

Gold level, \$150 includes one tax-deductible ticket to the Monaco Grand Prix Fundraiser.

Platinum level, \$300 includes one ticket to the Patron Opening Reception for the Art of the Vehicle and one tax-deductible ticket to the Monaco Grand Prix Fundraiser.

Details follow below.

Tickets are available for purchase at www.carriagebarn.org or by calling 203. 972.1895

Platinum level (\$300) guests receive a ticket to the Patron Opening Reception for the Va Va Vroom! The Art of the Vehicle art exhibition, Saturday, April 18th. At this private reception, guests will be the first to preview approximately 90 works of art in all media that focus on various modes of transportation, from the past to the present.

Art collectors and featured artists included in the show will be on hand to discuss their pieces. Guests will also have the opportunity to speak with the owners of the various vintage cars that will be on display outside the Carriage Barn during the opening.

We are working diligently to increase attendance through improved visibility and publicity as well as creative lectures and workshops affiliated with the exhibitions. All exhibitions are free and open to the public.
