COUNTRY HOMES

SUGAR HILL FARM

This astonishing estate encompasses 111 acres on one of the higher elevations in Salisbury. The views are breathtaking. A half-mile driveway gently climbs through the acreage terminating in the expansive courtyard. This French-style country manor exudes a delightful combination of elegance and rusticity. The acreage encompasses open rolling fields and pastures, a stream-fed swimming pond and an orchard of apple and pear trees. There is also a lovely, recently renovated guest house, a large barn, a workshop barn and a delightful cabin next to the pond.
