SALMON KILL VALLEY

SALISBURY CT

\$1,999,000

Overlooking the coveted Salmon Kill Valley, this ten acre site has stunning views over mostly protected land. The house is built with craftsmanship and quality. The beautifully landscaped home has views from every room. A four bay garage (and an attached garage) can house up to nine cars, perfect for a car enthusiast. The barn can be converted to a guest/in-law space. This is the first time offered on the open market in over one hundred years and is a great and rare opportunity.
