

Fairfield/\$1.765 million

Address: 1019 Fairfield Beach, Fairfield

Beds: 4 **Baths:** 3.5 **Square feet:** 2,732

This classic beach house sited on a generous quarter-acre lot in a most desirable section of Fairfield Beach Road offers stunning views of Long Island Sound and Penfield Lighthouse. The vintage four-bedroom beach house offers all the character of a bygone era with today's modern amenities, including three full and one half bath. A charming covered patio and lush green lawn embrace a soft sandy beach creating the perfect respite for family and friends. Imagine waking up in the master bedroom to watch the sunrise from your wall of windows, and in the evening enjoying the gas fireplace and watching the moon rise over the water. In addition, there is parking for at least five cars.
