LAKE HOUSE

NEW PRESTON CT

\$1,499,000

This waterfront house has the charm and originality of the early homes on Lake Waramaug. The Adirondack "cottage", built in 1890, has a gracious front porch running the length of the house where one can sit and enjoy the magnificent sunsets overlooking the lake. The floors are Douglas fir and most walls and ceilings are vintage bead board with exposed beams reminiscent of that era. Across the street lies three hundred feet of waterfront with private beach, dock and the piers for a boathouse on the pristine lake.
