LAKEFRONT SHINGLE

KENT CT

\$4,900,000

Inspired by the great Nantucket summer homes, this magnificent lakefront residence is carefully sited on seventy-two private acres overlooking one of Litchfield County's most serene lakes. The focus of the home's design is on blending with nature, exposure to the lake and energy efficiency. Designed by renowned architect Peter Talbot, the home is a wonderful example of the Shingle Style, "the architecture of the American summer".
