

REAL Trends Names William Pitt and Julia B. Fee Sotheby's International Realty Website Best in the Nation

REAL Trends Inc., one of the most trusted sources of news, analysis and information in residential real estate, named the website of William Pitt and Julia B. Fee Sotheby's International Realty the best residential real estate brokerage

website in the country in its just-released annual 2018 Real Estate Website Rankings.

The firm achieved more honors than any other company in the rankings, and was the only firm—both in its market areas and nationally—that ranked in every single category recognizing residential brokerages. The company's website ranked No. 1 Best Overall Website, No. 1 Best Community, recognizing the details and search capability provided for local communities served, No. 2 Best Property Detail, No. 4 Best Video, No. 7 Best Design and No. 7 Best Mobile.

"Lately we have seen so-called real estate industry 'disruptors' entering our marketplaces, businesses entirely new to selling real estate that manage to impress by referring to themselves as technology companies. Our company on the other hand has a track record of successfully selling real estate and leading in innovation since 1949. And now one of the most trusted news sources in real estate, REAL Trends, has verified our strength in digital innovation," said Paul Breunich, President and Chief Executive Officer of William Pitt and Julia B. Fee Sotheby's International Realty.
